### Beautiful seasons

*Everyone in Jake's family likes a different time of the year. For Jake, it's spring. He loves planting seeds in the garden. He likes seeing flowers, too. His brother Max's favourite time of the year is summer. Max enjoys warm weather and he likes going to the beach. Their mother loves autumn because she likes going for walks. She takes everyone to the forest. She loves having a campfire. It's her favourite thing! She cooks sausages for everyone. Jake and Max's father likes winter, best. He likes the Christmas holidays and he likes to see his brother's family. He also likes cold weather, too. His favourite thing is skiing because he's a great skier. His family likes watching him, but they don't like skiing.*
